# KRIEGHOFF OPTIMA

## Krieghoff Optima

Fig. shows: Drilling with additional options and upgraded wood  
Engraving: "Large game scene with leaf arabesques"

### Optima standard configuration:

- Set trigger integrated in the front trigger
- Universal Trigger System
- Combi-Cocking Device
- Steel trigger guard
- Front plate for pivot bridge mount
- Steel shot proofed
- Quick detachable sling swivels
- Steel trigger plate
- Nickel plated receiver finish
- Border engraving around receiver
- Hinge screws, top latch, screws and pins are blued
- Standard wood grade
- Right-handed stock with Bavarian-style cheekpiece (Not for "Big Five")
- "Schnabel" forearm
- Supplied in Krieghoff GunPack

### Optima 12 and 20 Drilling thermo stable

Steel receiver; standard barrel length: 55 cm (22"), or 60 cm (24") optionally (additional charge); standard stock length: 37 cm (14,5"), incl. 15 mm (0,6") rubber recoil pad in black. Weight (Optima 12) approx. 4.000 g. Weight (Optima 20) approx. 3.800 g.

8.944,00 €

### Optima 12 and 20 Drilling traditionally soldered

Steel receiver; standard barrel length: 60 cm (24"), or 55 cm (22") optionally (additional charge); standard stock length: 37 cm (14,5"), incl. 15 mm (0,6") rubber recoil pad in black. Weight (Optima 12) approx. 3.900 g. Weight (Optima 20) approx. 3.700 g.

9.328,00 €

### Optima 20 Drilling with 1-2 special trigger system

Features same action as Optima Drilling, without the need for a barrel selector. Further information on this exceptional version can be found in the Krieghoff Hunting Gun Catalog, or on our website. Weight approx. 3.800 g.

10.598,00 €

### Optima 20 double rifle Drilling

Steel receiver; standard barrel length: 55 cm (22"); standard stock length: 37 cm (14,5"), incl. 15 mm (0,6") rubber recoil pad in black. Weight approx. 4.000 g.

10.556,00 €

### Optima 20 double rifle Drilling with 1-2 special trigger system

Features same action as Optima double rifle Drilling, without the need for a barrel selector. Steel receiver; standard barrel length: 55 cm (22"); standard stock length: 37 cm (14,5"), incl. 15 mm (0,6") rubber recoil pad in black. Weight approx. 4.000 g.

12.202,00 €

## GENERAL OPTIONS

### “Façon Exclusive”

3.801,00 €

Final shaping and finish of action and parts is created with hand tools.

## BARRELS & ACCESSORIES

### Optima 12 and 20 Drilling thermo stable

- **Rifle calibers:** 6,5x57R, 6,5x65R, 7x57R, 7x65R, .308 Win., .30-06, .30R Blaser, 8x57IRS, 9,3x74R
- Optima 12 steel receiver, standard gauge 12/76
- Optima 20, standard gauge 20/76
- **Choke:** 1/2

### Optima 20 double rifle Drilling

- **Caliber:** 7x57R, 7x65R, .308 Win., .30-06, .30R Blaser, 8x57IRS, 9,3x74R
- **Gauge:** 20/76
- **Choke:** 1/2

### Custom calibers and gauges

starts

2.067,00 €

Further calibers and gauges on request.

### PH-ProCoating

Corrosion resistant Ilafon-Coating for barrel.

909,00 €

### Spring loaded extractor claws, per barrel

For rimless cartridges

209,00 €

### Different barrel length

- 60 cm (24") for thermo stable model Optima Drilling
- 55 cm (22") for traditionally soldered Optima Drilling

682,00 €

682,00 €

### Cosmetic sideribs for thermo stable models

For technical and aesthetic reasons, the side rib is best fitted after scope mounting and sighting-in and we strongly recommend that this process is carried out at the factory. Not available for Optima 12 featuring 60 cm (24") barrel length.

428,00 €

### Krieghoff see through sight

For Optima 12 and 20 Drilling thermo stable and Optima 20 double rifle Drilling

377,00 €

### 2-way flip sight

For Optima double rifle Drilling. Wide U-shaped middle sight for shotshell and slug use. Small U-shaped sight for rifle use.

122,00 €

## Shotgun barrels sighted-in with slugs according to "Langenhagener Norm" <sup>FC</sup>:

Shotgun barrels sighted-in according to "Langenhagener Norm" require a group of less than 10 cm with 5 slugs fired at a distance of 50 meters. In cases of firearms with two shotgun barrels, the group has to be less than 15 cm.

• Thermo Stable Models:	204,00 €
One barrel on Drilling	478,00 €
Both barrels on Drilling	
• Traditional soldered models:	405,00 €
One barrel on Drilling and double rifle Drilling	812,00 €
Both barrels on Drilling	

## SCOPE MOUNTS

All models are equipped with a compact short rib for maximum strength and durability, and are prepared for the pivot bridge mount – In our view the best and most aesthetically pleasing mount for this type of gun.

### Optima 12 and 20 Drilling thermo stable

• Pivot bridge mount	1.019,00 €
----------------------	------------

### Optima 20 double rifle Drilling

• Pivot bridge mount	1.405,00 €
• Tip-off mount for red dot sight	1.082,00 €

## INTERCHANGEABLE BARREL SETS

Interchangeable barrel sets include complete forend wood assembly in standard grade wood. Proof testing and sighting-in are included.

• Interchangeable Drilling barrel, thermo stable	4.823,00 €
• Interchangeable Drilling barrel, traditionally soldered	5.231,00 €
• Interchangeable double rifle Drilling barrel, traditionally soldered (only Optima 20)	6.530,00 €
• Service fee for subsequent installation	126,00 €

## KRIEGHOFF THIN WALL CHOKES (KTW)

Flush at the barrel muzzle. For Optima available in 12 and 20 gauge in the following constrictions: Cylinder (00, CYL), Skeet (0, SK), 1/4 (1, IC), 1/4-1/2 (1+, LM), 1/2 (2, MOD), 1/2-3/4 (2+, LIM), 3/4 (3, IMOD), 1/1 (4, F), Super-1/1 (5, SF)

• Fitting of chokes, per barrel	177,00 €
• Krieghoff KTW FlushFit Choke (flush mounted), Gauge 12 and 20	73,00 €
• Krieghoff Speed choke wrench for KTW Chokes	73,00 €
• Krieghoff Choke Lube, special grease for screw in chokes, 20 g	16,00 €
• Krieghoff Choke Box Pro, for 3 chokes of any kind	16,00 €

**KRIEGHOFF INSERT BARREL "KS"**

The KS insert barrel adjusts at the muzzle end eliminating the need to remove from the carrier barrel. The Optima 20 duraluminium Drillings are made specifically for the use of insert barrels, even for larger calibers such as 5,6x50R und 5,6x52R. The Optima Drilling 12/76 (3") and 20/76 (3") in steel receiver accepts all insert barrel calibers up to 9,3x74R. The listed prices include fitting, proof testing and sighting-in.

**Gauge 12**

• .22 Hornet, .222 Rem., 5,6x50R Mag., 5,6x52R Savage	1.939,00 €
• 6,5x57R, 7x57R, 7x65R, .30R Blaser, 8x57IRS	2.213,00 €
• .308 Win., .30-06, 9,3x74R	2.346,00 €

**Gauge 20**

• .22 Hornet, .222 Rem., 5,6x50R Mag., 5,6x52R Savage	1.939,00 €
• 6,5x57R, 7x57R, 7x65R, .30R Blaser, 8x57IRS	2.213,00 €
• .308 Win., .30-06, 9,3x74R	2.346,00 €

**SYSTEM TYPES & ENGRAVINGS**

A display of our engraving motifs as well as custom engravings can be found on page 52.

**Automatic set trigger release, per set trigger**

Not available with single trigger or Krieghoff 1-2 trigger

251,00 €

**Second set trigger installed in the rear trigger**

682,00 €

**Krieghoff 1-2 trigger featuring set trigger device**

(Double trigger, front trigger works as single trigger)

883,00 €

**Single combination trigger featuring set trigger device, non selective**

Fixed firing sequence: right barrel – left barrel or bottom barrel – top barrel. Because of the fixed firing sequence, this feature is not recommended for models with selective barrels, e. g. Drillings with insert barrels. Single triggers are generally available up to caliber .375, but not in combination with the automatic set trigger release.

682,00 €

**Surface Finish**

• Blued surface finish	free of charge
• Nitrated surface finish	606,00 €
• Complete nickel finish of all external parts	248,00 €

**Locks**

• Internal lock parts nickel plated	455,00 €
• Internal lock parts gold plated, triggers not included	1.040,00 €
• Single trigger gold plated	186,00 €
• Double trigger gold plated	261,00 €

**Price for plain, unengraved side plates**

Cosmetic sideplates without engraving feature Krieghoff logo and model name engraved on receiver bottom. Engraving and wood upgrades are not included!

795,00 €

## STOCKS & WOODWORK

### Wood upgrade

• Category 001	355,00 €
• Category 002	1.016,00 €
• Category 003	1.487,00 €
• Category 004	2.002,00 €

*A custom fit stock is almost entirely hand made with only minimal pre-machining.  
Atypical stock dimensions and longer stock lengths generally require a custom fit stock.  
Further information on request.*

### Exclusive wood categories as stock blanks (hand-crafted)

Due to the high cost of raw materials, wood grades higher than Category 004 require a custom made stock. The exclusive C-categories are limited. Therefore the availability of them can not be guaranteed.

• Category C1	4.126,00 €
• Category C2	5.359,00 €
• Category C3	6.543,00 €

### Right-handed stock (hand-crafted)

• Standard dimensions	925,00 €
• Special dimensions, made to customer's specifications	1.343,00 €

### Left-handed stock (hand-crafted)

Left-handed stocks are always hand-crafted, to be able to offer all stock configurations also to left-handed shooters.

• Standard dimensions	925,00 €
• Special dimensions, made to customer's specifications	1.343,00 €

### Forearm (hand-crafted)

• Standard dimensions	467,00 €
• Special dimensions, made to customer's specifications, beavertail or semi-beavertail forearm	638,00 €

## MONOGRAMS

*Pistol grip caps can be engraved with monograms and fitted into the grip of the buttstock. Monograms can also be engraved on trigger guards before hardening.*

### Monogram plate, finished the same as the receiver

• Inlet into pistol grip cap	170,00 €
• Steel pistol grip cap fully covering, see page 71	705,00 €

### Monograms

• Two letters engraved	316,00 €
• Two letters engraved in relief style	454,00 €
• Two letters in silver	740,00 €
• Two letters in gold	1.013,00 €

### Rubber recoil pad

With leather cover; black or brown; 15, 20 or 25 mm; fitting included

403,00 €

### Stock magazine with hinged cover plate

Ornamental line engraving to match receiver border included. Other engravings upon request.

1.314,00 €

### Recoil reducer

Fitting included (weight: 315 g/11,1 oz, diameter: 22,5 mm, length: 102 mm)

271,00 €

## EXCLUSIVE OPTIONS

Hand-polished stock-finish <sup>CS</sup>	1.477,00 €
Fine checkering instead of standard checkering <sup>CS</sup>	175,00 €
Skip checkering instead of standard checkering <sup>CS</sup>	118,00 €
Full carving on grip and forearm <sup>CS</sup> Full carving with leaf arabesques, English arabesques, enhanced English arabesques or oak leaves.	4.397,00 €
Fish scale checkering instead of standard checkering on grip and forearm <sup>CS</sup>	4.397,00 €
Checkering with carved border on grip and forearm <sup>CS</sup> Checkering surrounded by leaf arabesques, English arabesques, enhanced English arabesques or oak leaves.	1.772,00 €
Ebony cap on forearm	350,00 €
Ebony cap on grip	350,00 €

# KRIEGHOFF ULTRA

ULTRA

## Krieghoff Ultra

Fig. shows: Over & under double rifle with additional options and upgraded wood  
Engraving: "Large game scene with oak leaves"

### Ultra standard configuration:

- Set trigger integrated in the front trigger
- Universal Trigger System
- Combi-Cocking Device
- Steel trigger guard
- Front plate for pivot bridge mount
- Steel shot proofed
- Quick detachable sling swivels
- Steel trigger plate
- Nickel plated receiver finish
- Border engraving around receiver
- Hinge screws, top latch, screws and pins are blued
- Standard wood grade
- Right-handed stock with Bavarian-style cheekpiece and "Schnabel" forearm
- Supplied in Krieghoff GunPack

### Ultra 20 over & under rifle/shotgun combination thermo stable

Steel receiver; standard barrel length: 55 cm (22"), optionally 60 cm (24") (additional charge); standard stock length: 37 cm (14,5") incl. 15 mm (0,6") rubber recoil pad in black. Weight approx. 3.400 g.

5.811,00 €

### Ultra 20 over & under rifle/shotgun combination traditionally soldered <sup>CM</sup>

Steel receiver; standard barrel length: 55 cm (22"); standard stock length: 37 cm (14,5") incl. 15 mm (0,6") rubber recoil pad in black. Weight approx. 3.300 g.

6.205,00 €

### Ultra 20 over & under double rifle thermo stable

Steel receiver; standard barrel length: 60 cm (24"), or 55 cm (22") optionally; standard stock length: 37 cm (14,5") incl. 15 mm (0,6") rubber recoil pad in black. Weight approx. 3.900 g.

6.746,00 €

### Ultra 20 "Bergstutzen" thermo stable

Steel receiver; standard barrel length: 55 cm (22"), or 60 cm (24") optionally; standard stock length: 37 cm (14,5") incl. 15 mm (0,6") rubber recoil pad in black. Weight approx. 3.800 g.

- Universal Trigger System
- Steel trigger guard
- Front plate for pivot bridge mount
- Steel shot proofed
- Steel trigger plate
- Quick detachable sling swivels
- Nickel plated receiver finish
- Ornamental line engraved around receiver border
- Hinge screws, top latch, screws and pins are blued
- Standard wood
- Right-handed stock with Bavarian-style cheekpiece and "Schnabel" forearm
- Supplied in Krieghoff GunPack

### Trumpf 12 and 20 Drilling thermo stable

Steel receiver; standard barrel length: 55 cm (22"), or 60 cm (24") optionally (additional charge); standard stock length: 37 cm (14,5") incl. 15 mm (0,6") rubber recoil pad in black. Weight approx. 3.800 g.

10.225,00 €

### Trumpf 12 and 20 Drilling traditionally soldered

Steel receiver; standard barrel length: 60 cm (24"), or 55 cm (22") optionally (additional charge); standard stock length: 37 cm (14,5") incl. 15 mm (0,6") rubber recoil pad in black. Weight (Trumpf 12) approx. 3.900 g. Weight (Trumpf 20) approx. 3.700 g.

10.608,00 €

### Trumpf 20 double rifle Drilling

Steel receiver; standard barrel length: 55 cm (22"); standard stock length: 37 cm (14,5") incl. 15 mm (0,6") rubber recoil pad in black. Weight approx. 4.000 g.

11.832,00 €

## GENERAL OPTIONS

### "Façon Exclusive"

Final shaping and finish of action and parts is created with hand tools.

3.801,00 €

## BARRELS & ACCESSORIES

### Trumpf 12 and 20 Drilling thermo stable and Drilling traditionally soldered

- **Rifle calibers:** 6,5x57R, 6,5x65R, 7x57R, 7x65R, .308 Win., .30-06, .30R Blaser, 8x57IRS, 9,3x74R
- Trumpf 12, standard gauge 12/76
- Trumpf 20, standard gauge 20/76
- **Choke:** 1/2

### Trumpf 20 double rifle Drilling

- **Rifle calibers:** 7x57R, 7x65R, .308 Win., .30-06, .30R Blaser, 8x57IRS, 9,3x74R
- **Shotgun gauge:** 20/76
- **Choke:** 1/2

### Custom calibers and gauges

Further calibers and gauges on request.

starts

2.067,00 €

### PH-ProCoating

Corrosion resistant Ilaflon-Coating for barrel.

909,00 €

### Spring loaded extractor claws, per barrel

For rimless cartridges

209,00 €

### Cosmetic sideribs for thermo stable models

The cosmetic siderib (available in different heights) is generally fitted during the sighting-in of the rifle. For technical and aesthetic reasons, we strongly recommend that the scope mounting and sighting-in process is carried out at the factory. Not available for Trumpf 12 featuring 60 cm (24") barrel length.

428,00 €

### Different barrel length

- 60 cm (24") for thermo stable model Trumpf Drilling
- 55 cm (22") for traditionally soldered model Trumpf Drilling

682,00 €

682,00 €

### Krieghoff see through sight

For Trumpf double rifle Drilling

377,00 €

### 2-way flip sight

For Trumpf Drilling. Wide U-shaped middle sight for shotshell and slug use.  
Fine U-shaped sight for rifle use.

122,00 €

### Shotgun barrels sighted-in with slugs according to "Langenhagener Norm" <sup>FC</sup>:

Shotgun barrels sighted-in according to "Langenhagener Norm" require a group of less than 10 cm with 5 slugs fired at a distance of 50 meters. In cases of firearms with two shotgun barrels, the group has to be less than 15 cm.

#### • Models thermo stable:

One barrel on Drilling

204,00 €

Both barrels on Drilling

478,00 €

#### • Traditional soldered models:

One barrel on Drilling, double rifle Drilling

405,00 €

Both barrels on Drilling

812,00 €

## SCOPE MOUNTS

All models are equipped with a compact short rib for maximum strength and durability, and are prepared for the pivot bridge mount – In our view the best and most aesthetically pleasing mount for this type of gun.

### Trumpf 12 and 20 Drilling thermo stable

- Pivot bridge mount

1.019,00 €

### Trumpf 20 double rifle Drilling

- Pivot bridge mount
- Tip-off mount for red dot sight

1.405,00 €

1.082,00 €

## INTERCHANGEABLE BARREL SETS

Interchangeable barrel sets together with the complete forend wood assembly in standard grade wood. Proof testing and sighting-in are included.

- Interchangeable Drilling barrel, thermo stable
- Interchangeable Drilling barrel, traditionally soldered
- Interchangeable double rifle barrel, traditionally soldered (only Trumpf 20)
- Service fee for subsequent installation

4.823,00 €

5.231,00 €

6.530,00 €

126,00 €

## KRIEGHOFF THIN WALL CHOKES (KTW)

Flush at the barrel muzzle. For Optima available in 12 and 20 gauge in the following constrictions: Cylinder (00, CYL), Skeet (0, SK), 1/4 (1, IC), 1/4–1/2 (1+, LM), 1/2 (2, MOD), 1/2–3/4 (2+, LIM), 3/4 (3, IMOD), 1/1 (4, F), Super-1/1 (5, SF)

- Fitting of chokes, per barrel
- Krieghoff KTW FlushFit Choke (flush mounted), Gauge 12 and 20
- Krieghoff Speed choke wrench for KTW Chokes
- Krieghoff Choke Lube, special grease for screw in chokes, 20 g
- Krieghoff Choke Box Standard, for 3 chokes (not for KTW-Pro chokes)
- Krieghoff Choke Box Pro, for 3 chokes of any kind

16,00 €

## KRIEGHOFF INSERT BARREL “KS”

The KS insert barrel adjusts at the muzzle end eliminating the need to remove from the carrier barrel. The Trumpf 20 duraluminium Drillings are made specifically for the use of insert barrels, even for larger calibers such as 5,6x50R und 5,6x52R. The Trumpf Drilling 12/76 (3") and 20/76 (3") in steel receiver accepts all insert barrel calibers up to 9,3x74R. The listed prices include fitting, proof testing and sighting-in.

### Gauge 12

- .22 Hornet, .222 Rem., 5,6x50R Mag., 5,6x52R Savage

## SYSTEM TYPES & ENGRAVINGS

A display of our engraving motifs as well as custom engravings can be found on page 52.

**Second set trigger installed in the rear trigger** 682,00 €

### Surface Finish

• Blued surface finish	free of charge
• Nitrated surface finish	606,00 €
• Complete nickel finish of all external parts	248,00 €

### Locks

• Internal lock parts nickel plated	455,00 €
• Internal lock parts gold plated, triggers not included	1.040,00 €
• Single trigger gold plated	186,00 €
• Double triggers gold plated	261,00 €

### Price for plain, unengraved side plates

795,00 €

Unengraved cosmetic side plates with Krieghoff logo and model name engraved on the bottom side of the receiver. Engraving and wood upgrades are not included!

## STOCKS & WOODWORK

### Wood upgrade

• Category 001	355,00 €
• Category 002	1.016,00 €
• Category 003	1.487,00 €
• Category 004	2.002,00 €

A custom fit stock is almost entirely hand made with only minimal pre-machining.

Atypical stock dimensions and longer stock lengths generally require a custom fit stock.

Further information on request.

### Exclusive wood categories as stock blanks (hand-crafted)

Due to the high cost of raw materials, wood grades higher than Category 004 require a custom made stock. The exclusive C-categories are limited. Therefore the availability of them can not be guaranteed.

• Category C1	4.126,00 €
• Category C2	5.359,00 €
• Category C3	6.543,00 €

### Right-handed stock (hand-crafted)

• Standard dimensions	925,00 €
• Special dimensions, made to customer's specifications	1.343,00 €

### Left-handed stock (hand-crafted)

Left-handed stocks are always hand-crafted, to be able to offer all stock configurations also to left-handed shooters.

• Standard dimensions	925,00 €
• Special dimensions, made to customer's specifications	1.343,00 €

<b>Forearm (hand-crafted)</b>	
• Standard dimensions	467,00 €
• Special dimensions, made to customer's specifications, beavertail or semi-beavertail forearm	638,00 €

## MONOGRAMS

*Pistol grip caps can be engraved with monograms and fitted into the grip of the buttstock. Monograms can also be engraved on trigger guards before hardening.*

<b>Monogram plate, finished the same as the receiver</b>	
• Inlet into pistol grip cap	170,00 €
• Steel pistol grip cap fully covering, see page 71	705,00 €

<b>Monograms</b>	
• Two letters engraved	316,00 €
• Two letters engraved in relief style	454,00 €
• Two letters in silver	740,00 €
• Two letters in gold	1.013,00 €

<b>Rubber recoil pad</b>	403,00 €
<i>With leather cover; black or brown; 15, 20 or 25 mm; fitting included</i>	

<b>Stock magazine with hinged cover plate</b>	1.314,00 €

# KRIEGHOFF K-80 SPORTING / SKEET

## K-80 Sporting / Skeet standard configuration:

- Free-floated barrel set
- Nickel plated steel action
- Hinge screws, top latch, screws and pins are blued
- Selectable, mechanical single trigger
- Length adjustable trigger blade
- Light scroll engraving pattern
- Standard wood
- Adjustable comb
- Stock Finish: SEF (Satin Epoxy Finish)
- Supplied in a gun case - Premium Edition

## K-80 Sporting with fixed chokes

Fig. shows: K-80 "Sporting" with additional options and custom engraving

## K-80 Sporting / Skeet with fixed chokes

Barrel length: 76 (30") or 81 cm (32"); soldered top rib: 10 mm taper flat; free-floated barrel set; right-handed "Sporting" stock with "Schnabel" forearm.

Weight approx. 3.950 g <sup>SW</sup>.

13.982,00 €

## K-80 Sporting with screw-in chokes

Fig. shows: K-80 "Sporting" with additional options and custom engraving

## K-80 Sporting / Skeet with screw-in chokes

Barrel length: 71 (28"), 76 (30") or 81 cm (32"); soldered top rib: 10 mm taper flat; including 5 blued Krieghoff screw-in chokes made from steel, Speed choke wrench and Choke-Box; right-handed "Sporting" stock with "Schnabel" forearm.

Weight approx. 3.980 g <sup>SW</sup>.

14.632,00 €

## K-80 ProSporter

Fig. shows: Model with additional options and engraving option "Renaissance"

## K-80 ProSporter with screw-in chokes

Barrel length: 76 (30") or 81 cm (32"); adjustable top rib: 10 mm tapered (12 mm with chamfer); highest selectable shot pattern: 70/30 %; including 5 blued Krieghoff screw-in chokes made from steel, Speed choke wrench and Choke-Box; right-handed "ProSporter" stock with "Schnabel" forearm stock.

Weight approx. 4.120 g <sup>SW</sup>.

15.346,00 €

# KRIEGHOFF K-80 PARCOURS

## K-80 Parcoures standard configuration

- Full length soldered barrel set
- Nickel plated steel action
- Hinge screws, top latch, screws and pins are blued
- Selectable, mechanical single trigger
- Length adjustable trigger blade
- Light scroll engraving pattern
- Standard wood
- Adjustable comb
- Stock Finish: Oil
- Supplied in a gun case - Premium Edition

### K-80 Parcoures

Barrel length: 81 cm (32"); soldered top rib: 10 mm taper flat; including 5 Krieghoff KTW FlushFit Chokes made from steel, Speed choke wrench and Choke-Box; right-handed "Parcoures" stock; "Parcoures" forearm.  
Weight with adjustable comb approx. 3.770 g <sup>SW</sup>.  
Weight with non-adjustable comb approx. 3.760 g <sup>SW</sup>.

15.328,00 €

# KRIEGHOFF K-80 TRAP

## K-80 Trap standard configuration:

- Free-floated barrel set
- Nickel plated steel action
- Hinge screws, top latch, screws and pins are blued
- Selectable, mechanical single trigger
- Length adjustable trigger blade
- Light scroll engraving pattern
- Standard wood
- Adjustable comb
- Stock Finish: SEF (Satin Epoxy Finish)
- Supplied in a gun case - Premium Edition

### K-80 Trap

Fig. shows: Model with additional options and engraving option "Super Scroll"

### K-80 Trap with fixed chokes

Barrel length: 76 (30") or 81 cm (32"); soldered top rib: 12 mm taper step; free-floated barrel set; right-handed Monte Carlo style "Trap" stock with "Trap" forearm. Weight approx. 4.070 g<sup>SW</sup>.

13.982,00 €

### K-80 Trap with screw-in chokes

Barrel length: 76 (30") or 81 cm (32"); soldered top rib: 12 mm taper step; free-floated barrel set; including 5 blued Krieghoff screw-in chokes made from steel, Speed choke wrench and Choke-Box; right-handed Monte Carlo style "Trap" stock with "Trap" forearm. Weight approx. 4.120 g<sup>SW</sup>.

14.632,00 €

### K-80 ProTrap

Fig. shows: Model with additional options and engraving option "Heritage Game I"

### K-80 ProTrap with screw-in chokes

Barrel length: 76 (30") or 81 cm (32"); adjustable top rib: 10 mm tapered (12 mm with chamfer); highest selectable shot pattern: 70/30 %; including 5 blued Krieghoff screw-in chokes made from steel, Speed choke wrench and Choke-Box; right-handed "ProTrap" stock with "Trap" forearm. Weight approx. 4.070 g<sup>SW</sup>.

15.346,00 €

### K-80 Trap Special

Fig. shows: Model with additional options and adjustable butt plate as well as engraving option "Vintage Scroll"

### K-80 Trap Special with screw-in chokes

Barrel length: 76 (30") or 81 cm (32"); adjustable top rib: "Trap Special" 10 mm tapered (12 mm with chamfer); highest selectable shot pattern: 100% (optionally "Pro" rib featuring 120% high pattern); including 5 blued Krieghoff screw-in chokes made from steel, Speed choke wrench and Choke-Box; right-handed "Trap Special" roll-over stock with "Trap" forearm. Weight approx. 4.310 g<sup>SW</sup>.

15.560,00 €

# KRIEGHOFF KX-6 SPECIAL

## KX-6 standard configuration:

- Extended factory steel screw-in chokes, incl. three choke tubes and choke wrench
- Choke-Box
- Nickel plated steel action
- Hinge screws, top lever and trigger guard are blued
- Length adjustable trigger blade
- Standard wood
- Adjustable comb
- Stock Finish: SEF (Satin Epoxy Finish)
- Supplied in a gun case

Fig. shows:

**KX-6 Special Single Barrel Shotgun** in standard configuration

## KX-6 Special – Single barrel shotgun

Barrel length: 86 cm (34"); adjustable top rib 12 mm taper flat; highest selectable shot pattern: 70/30 %; right-handed Monte Carlo "Trap" stock, "Trap" forearm. Weight approx. 3.890 g <sup>SW</sup>.

6.524,00 €

# KRIEGHOFF K-20 PARCOURS / SPORTING

## K-20 Parcoures / Sporting standard configuration:

- Nickel plated steel action
- Hinge screws, top latch, screws and pins are blued
- Selectable, mechanical single trigger
- Length adjustable trigger blade
- Light scroll engraving pattern
- Standard wood
- Supplied in a gun case - Premium Edition

### K-20 Parcoures

Fig. shows: Model with engraving option "Vienna"

14.706,00 €

### K-80 Victoria with screw-in chokes

Barrel length: 71 (28"), 76 (30"), 81 (32") or 86 cm (34"); soldered top rib: 8 mm taper flat; including 5 Krieghoff KTW FlushFit Chokes made from steel, Speed choke wrench and Choke-Box; Weight approx. 3.170 g<sup>SW</sup>.

15.328,00 €

### K-20 Victoria

Fig. shows: Model with engraving option "Eleganza"

### K-20 Victoria with fixed chokes

Barrel length: 76 (30") or 81 cm (32"); soldered top rib: 7 mm taper flat; Weight approx. 3.103 g<sup>SW</sup>.

14.706,00 €

### K-20 Victoria with screw-in chokes

Barrel length: 76 (30") or 81 cm (32"); soldered top rib: 7 mm taper flat; including 5 Krieghoff KTW FlushFit Chokes made from steel, Speed choke wrench and Choke-Box; Weight approx. 3.093 g<sup>SW</sup>.

15.328,00 €

## GENERAL OPTIONS

### “Matched Pairs” CS

+10%

Upcharge of 10% with any order of a matching pair. This includes consecutive numbers and stocks matching in colour, figure and weight. Both guns are identically balanced.

### TITANIUM OPTIONS

Upcharge for titanium option instead of the standard configuration made of steel.

#### Titanium options

• Titanium trigger, trigger group made from steel	134,00 €
• Titanium trigger, gold plated, steel trigger group	313,00 €
• Titanium trigger (including trigger group), in black (matt)	294,00 €
• Titanium front hanger	63,00 €
• Titanium front hanger, gold plated	191,00 €
• Titanium front hanger, in black (matt)	172,00 €

#### Titanium options for free-floated barrel sets with screw in chokes

• Five titanium screw-in chokes of the standard configuration	377,00 €
• Five titanium screw-in chokes of the standard configuration, gold plated	700,00 €
• Five titanium screw-in chokes of the standard configuration, in black (matt)	629,00 €

#### Five screw-in chokes for soldered barrel sets

• Five Krieghoff KTW Chokes (flush fit, made of steel)	free of charge
• Five Krieghoff KTW Pro Chokes (extended, made of steel)	185,00 €

### DLC COATING (DIAMOND-LIKE CARBON)

Surface coating made of carbon film with a hardness almost as hard as diamond. Weather-resistant and scratch-resistant.

• <b>DLC coating on barrel set and system</b> including iron fore-end and all external parts. On a soldered barrel set, trigger and trigger group made of steel, matt black. On free floating exposed barrels, including five interchangeable chokes made of titanium, matt black (except fixed choke variant); front spacer made of titanium, matt black; trigger and trigger group made of steel, matt black.	1.784,00 €
• <b>DLC coating on barrel</b> On a soldered barrel set, trigger and trigger group made of steel, matt black. On free floating barrels, including five interchangeable chokes made of titanium, matt black (except fixed choke variant); front hanger made of titanium, matt black; trigger and trigger group made of steel, matt black.	944,00 €
• <b>Shiny Krieghoff lettering, permanent on both sides of the barrel set</b> Only available for 12 and 20 GA. Not possible in combination with barrel porting (see ill. on page 71)	246,00 €

### OPTIONS IN CONJUNCTION WITH DLC COATING

When purchasing a DLC coating for a new shotgun, the following reduced prices apply for the options mentioned

• Five titanium screw-in chokes, gold-plated	70,00 €
• Titanium front hanger, gold plated	133,00 €
• Titanium trigger, trigger group made from steel, matt black	134,00 €
• Trigger and trigger group made of steel, gold-plated	34,00 €
• Titanium trigger, gold plated, steel trigger group	168,00 €

## BARRELS & ACCESSORIES

A list of all available barrel set combinations is shown on page 47.

### STANDARD GAUGES:

#### K-80

- 12/76 (3"), 20/76 (3"), 28/76 (3"), chambers are chrome plated
- .410/76 (3")

#### K-20

- 20/76 (3"), 28/76 (3"), chambers are chrome plated
- .410/76 (3")

#### KX-6 Special

- 12/76 (3"), chambers are chrome plated

### Barrel porting

345,00 €

For gauge 12 – recoil and muzzle jump is reduced. Price per barrel.

### Krieghoff HiViz Pro (shown on page 70)

57,00 €

Shotgun Sight

### Larger front bead made from brass

free of charge

The diameter is larger (2.7 mm) than that of the middle bead (2 mm).

### INTERCHANGEABLE BARRELS

Please find a table of the interchangeable barrel options on page 47. Barrels do not include a forearm.

#### Krieghoff K-80 Sporting / Skeet

Free-floated barrel set

- **K-80 Sporting / Skeet with fixed chokes** 4.651,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: 10 mm taper step, soldered
- **K-80 Sporting / Skeet with screw-in chokes** 5.307,00 €  
Barrel length: 71 (28"), 76 (30") or 81 cm (32"); Rib: 10 mm taper step, soldered
- **K-80 ProSporter with screw-in chokes** 6.017,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: 10 mm tapered (12 mm with chamfer), adjustable, highest selectable shot pattern: max. 70/30 %

#### Krieghoff K-80 Parours

Soldered barrel set

- **K-80 Parours with fixed chokes** 5.338,00 €  
Barrel length: 76 (30"), 81 (32") or 86 cm (34"); Rib: 8 mm taper step, soldered
- **K-80 Parours with screw-in chokes** 6.023,00 €  
Barrel length: 71 (28"), 76 (30") or 81 cm (32"); Rib: 8 mm taper step, soldered
- **K-80 Parours-X with screw-in chokes** 6.023,00 €  
Barrel length: 81 cm (32"); Rib: 10 mm taper step, soldered
- **Forend hanger 12 Gauge** 92,00 €  
for adapting a forearm used for free-floated barrel sets

## Krieghoff K-80 Trap

Free-floated barrel set

- **K-80 Trap with fixed chokes** 4.651,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: 12 mm taper step, soldered
- **K-80 Trap with screw-in chokes** 5.307,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: 12 mm taper step, soldered
- **K-80 ProTrap with screw-in chokes** 6.017,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: 10 mm tapered (12 mm with chamfer), adjustable, highest selectable shot pattern: max. 70/30 %
- **K-80 Trap Special with screw-in chokes** 6.017,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: "Trap Special" 10 mm taper flat, adjustable; highest selectable shot pattern: 100% (alternative "Pro" rib with max 120% high pattern); barrel length: 76 cm (30") or 81 cm (32")
- **K-80 Double Trap Special** 6.179,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: "Double Trap Special" 10 mm taper flat, adjustable
- **K-80 Unsingle/Topsingle with screw-in choke** 7.240,00 €  
Barrel length: 86 cm (34"); Rib: 12 mm taper step, adjustable highest selectable shot pattern: 100 %

## Krieghoff K-20 Parcours / Sporting

- **K-20 Parcours with fixed chokes** 5.338,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: 7 mm taper step, soldered barrel set
- **K-20 Parcours with screw-in chokes** 6.023,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: 7 mm taper step, soldered barrel set
- **K-20 Sporting with screw-in chokes** 5.307,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: 10 mm taper step, free-floated barrel set
- **Forend hanger 20 Gauge** 92,00 €  
for adapting a forearm used for free-floated barrel sets

## Krieghoff K-80 / K-20 Victoria

Soldered barrel set

- **K-80 Victoria with fixed chokes** 5.338,00 €  
Barrel length: 76 (30"), 81 (32") or 86 cm (34"); Rib: 8 mm taper step, soldered
- **K-80 Victoria with screw-in chokes** 6.023,00 €  
Barrel length: 71 (28"), 76 (30") or 81 cm (32"); Rib: 8 mm taper step, soldered
- **Forend hanger 12 Gauge** 92,00 €  
for adapting a forearm used for free-floated barrel sets
- **K-20 Victoria with fixed chokes** 5.338,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: z mm taper step, soldered
- **K-20 Victoria with screw in chokes** 6.023,00 €  
Barrel length: 76 (30") or 81 cm (32"); Rib: z mm taper step, soldered

## Krieghoff Balance System – Barrel weight for K-80 (shown on page 70)

The barrel can be provided with up to three additional 40 g weights underneath the forend, thus making an increase of 120 g at the front end possible.

- **12 Gauge K-80** 112,00 €
- **20 Gauge K-80** 112,00 €

## Stock weight for K-80

The buttstock can be equipped with a special stock bolt, which is 40 g heavier than a standard stock bolt, and can accept up to three additional 30 g weights. Thus, making buttstock up to 130 g heavier.

- **Price for stock screw including on extra weight (adds 70 g)** 136,00 €
- **Price for further extra weights, 30g per item** 58,00 €

## Factory screw-in chokes, 12, 20, 28 and .410 gauge

122,00 €

It is not possible to retrofit factory choke tubes to fixed choke barrels. See thin wall option below.

Available in the following constrictions:

Cylinder (00), Skeet (0), 1/4 (1), 1/4-1/2 (1+), 1/2 (2), 1/2-3/4 (2+), 3/4 (3), 1/1 (4), Super-1/1 (5).

Super full choke tubes only available for 12 gauge.

## Titanium screw-in chokes, 12 and 20 gauge

For all guns featuring factory screw-in chokes. Available in the following constrictions: Cylinder (00), Skeet (0), 1/4 (1), 1/4-1/2 (1+), 1/2 (2), 1/2-3/4 (2+), 3/4 (3), 1/1 (4), Super-1/1 (5)

• Titanium screw-in chokes (color: silver)	199,00 €
• Titanium screw-in chokes gold plated	264,00 €
• Titanium screw-in chokes in black (matt)	238,00 €

## Krieghoff KTW FlushFit Choke

73,00 €

Available in the following constrictions: Cylinder (00, CYL), Skeet (0, SK), 1/4 (1, IC), 1/4-1/2 (1+, LM), 1/2 (2, MOD), 1/2-3/4 (2+, LIM), 3/4 (3, IMOD), 1/1 (4, F), Super-1/1 (5, SF)

## Krieghoff KTW Pro Choke (extended)

117,00 €

Available in the following constrictions: Cylinder (00, CYL), Skeet (0, SK), 1/4 (1, IC), 1/4-1/2 (1+, LM), 1/2 (2, MOD), 1/2-3/4 (2+, LIM), 3/4 (3, IMOD), 1/1 (4, F), Super-1/1 (5, SF)

## Accessories

• Krieghoff Speed choke wrench for KTW chokes	73,00 €
• Krieghoff Speed choke wrench for Krieghoff factory chokes	94,00 €
• Krieghoff Choke Lube, special grease for screw in chokes, 20 g	16,00 €
• Krieghoff Choke Box Pro, for 3 chokes of any kind	16,00 €

## SYSTEM TYPES & ENGRAVINGS

A display of our engraving motifs as well as custom engravings can be found on page 57.

## K-80/S

on request

Exclusive sideplates for K-80 receiver.

## Surface finish

• Blued action and forend iron, including all external metal parts	free of charge
• Complete nickel finish of all external metal parts	164,00 €
• Nitrate surface treatment of action and forend iron, including all external metal parts	585,00 €

## Locks

• Internal lock parts nickel plated	514,00 €
• Internal lock parts gold plated, trigger not included	1.163,00 €
• Trigger gold plated (including trigger group)	207,00 €
• Titanium trigger (including trigger group), gold plated	313,00 €
• Titanium trigger (including trigger group), in black (matt)	294,00 €
• Custom trigger setting (e.g. trigger pull)	128,00 €

## STOCKS & WOODWORK

### Wood Upgrade

• Category 001	446,00 €
• Category 002	1.260,00 €
• Category 003	1.939,00 €
• Category 004	2.605,00 €

A custom fit stock is almost entirely hand made with only minimal pre-machining. Atypical stock dimensions and longer stock lengths generally require a custom fit stock. Further information on request.

### Exclusive wood categories as stock blanks (hand-crafted)

Due to the high cost of raw materials, wood grades higher than Category 004 require a custom made stock. The exclusive C-categories are limited. Therefore the availability of them can not be guaranteed.

• Category C1	4.126,00 €
• Category C2	5.359,00 €
• Category C3	6.543,00 €

### Custom stock in oil or epoxy finish

• Standard dimensions	925,00 €
• Special dimensions, made to customer's specifications	1.343,00 €
• Special dimensions, custom made stock with ergonomic grip and finger grooves	2.004,00 €

### Custom stock with adjustable comb and oil or SEF (Satin epoxy finish)

• Standard dimensions	1.450,00 €
• Special dimensions, made to customer's specifications	1.871,00 €
• Special dimensions, custom made stock with ergonomic grip and finger grooves	2.543,00 €

### Additional charge for left-handed stocks (in standard dimensions)

420,00 €

### Hand-polished stock-finish <sup>CS</sup>

1.477,00 €

### Test shooting for custom made stocks on clay shooting range (30 minutes)

233,00 €

### Handmade forearm in oil or epoxy finish

• Standard dimensions	467,00 €
• Special dimensions, made to customer's specifications	638,00 €

## MONOGRAMS

Monograms can be engraved into a separate steel plate, which is fitted into the pistol grip of the rear stock. Optionally, the monogram can be integrated into the top latch or the trigger guard.

### Monogram plate, finished the same as the receiver

• Inlet into pistol grip cap	170,00 €
• Steel pistol grip cap	705,00 €

### Monograms

• Two letters engraved	316,00 €
• Two letters engraved in relief style	454,00 €
• Two letters in silver	740,00 €
• Two letters in gold	1.013,00 €

## ADDITIONAL EQUIPMENT

### Stock weight for K-80

The buttstock can be equipped with a special stock bolt, which is 40 g heavier than a standard stock bolt, and can accept up to three additional 30 g weights. Thus, making buttstock up to 130 g heavier.

- Price for stock screw including on extra weight (adds 70 g) 136,00 €
- Price for further extra weights, per item 58,00 €

### Krieghoff Balance System – Barrel weight for K-80 (shown on page 70)

The barrel can be provided with up to three additional 40 g weights underneath the forend, thus making an increase of 120 g at the front end possible.

- 12 Gauge K-80 112,00 €
- 20 Gauge K-80 112,00 €

### Adjustable butt plate

- For K-80 Trap variants and KX-6, includes adjustment unit and recoil pad 481,00 €
- For all other K-80s, includes adjustment unit and recoil pad 710,00 €

### Length of pull adjustment option

For K-80 and KX-6 – Length of pull can be easily adjusted with the addition of optional pre-fitted 6,4 mm (1/4") spacers. Only in conjunction with adjustable butt plate.

Price per item.

36,00 €

## INTERCHANGEABLE STOCKS – RIGHT

### Interchangeable stocks with adjustable comb and epoxy finish

- "Trap" Monte Carlo, ProTrap or "International Skeet/Sporting" stock, model K-80 1.403,00 €
- "ProSporter" stock, model K-80 or K-20 1.403,00 €
- "Parcours" stock, model K-80 or K-20 1.403,00 €
- "Trap Special Rollover" stock, model K-80 1.618,00 €

### Interchangeable stocks with non-adjustable comb and epoxy finish

For K-80 and K-20 Sporting

1.403,00 €

### Interchangeable stocks with non-adjustable comb and oil finish

For K-80 and K-20 Parcours

1.403,00 €

### Interchangeable forearm (forend iron not included) in oil or epoxy finish

- "Trap" or "Skeet", model K-80, SEF (Satain Epoxy Finish) 246,00 €
- "Schnabel" forearm, model K-80 or K-20, SEF (Satain Epoxy Finish) 246,00 €
- "Parcours" forearm, model K-80, SEF (Satain Epoxy Finish) 246,00 €
- "Parcours" forearm, model K-20, SEF (Satain Epoxy Finish), or oil finish 246,00 €

### Additional charge for left-handed stocks (in standard dimensions)

420,00 €

# ENGRAVING OPTIONS

The engraving patterns listed below are just a small sampling of the wood categories and engraving combinations most frequently requested. In line with our philosophy of quality, all our engravings are worked into the material of the action itself and never on attached plates.

The wood grade can be chosen freely. Together with the engraving patterns listed below, we just give you a recommendation of a certain wood grade in combination with a specific metal part surface treatment, which compliments the appearance of the gun. The corresponding extra cost for wood upgrades and metal part treatments, you will find under category "stocks & woodwork" and "surface finish" of each model.

A display of pictures, regarding further custom engravings can be found at: [www.krieghoff.de/engravings](http://www.krieghoff.de/engravings)

## HUNTING GUNS – ENGRAVING OPTIONS

**34.982,00 €**

plus possible surcharge for surface finish

## CUSTOM ENGRAVINGS

For years, engravers have artfully applied the finishing touch to guns, lending them a unique character and an expression of their worth. Initial sketches, stemming from a dialogue with the gun owner, are used to produce a harmonious design encompassing motif, style and material.

Krieghoff engravers have a comprehensive repertoire: from deep relief to the very finest Bulino style and from classic hunting scenes to the multifaceted ornamentations of various eras. From precious metal inlays to surface finishing – there are no limits to their creative imagination.

Using their experience, finesse and talent, our engravers create fine works of art that reflect both the passion and personality of the owner and the value and quality of an exquisite gun.

Our master engravers are able to realize virtually any special engraving requirement including the most intricate custom engravings. For a proposal send us your request!

### Price for plain, unengraved side plates

795,00 €

Unengraved cosmetic side plates with Krieghoff logo and model name engraved on the bottom side of the receiver. Engraving and wood upgrades are not included!

#### Custom Engraving

Deep engraved, full covering leaf arabesques with ornamental barrel base.

#### Custom Engraving

# SERVICE

## Fitting of choke tubes, altering fixed chokes into screw-in chokes for all brands:

We offer the installation of thin-walled choke tubes into shotgun barrels, also for other brands. Technical requirements will be checked carefully by our master gunsmiths before fitting. After the fitting the gun has to be re-proofed by the Proofhouse.

• Fitting of chokes per barrel for over & unders or Drillings	177,00 €
• Fitting of one choke into a single barrel shotgun	275,00 €
• Service charge for C. I. P. barrel proof	69,00 €
• Service charge for C. I. P. barrel proof (steelshot)	78,00 €

Shotguns that are lead-shot proof must be checked by us if they qualify for steel-shot proofing.

## Krieghoff thin wall chokes (KTW) 73,00 €

Available in the following constrictions: Cylinder (00), Skeet (0), 1/4 (1), 1/4-1/2 (1+), 1/2 (2), 1/2-3/4 (2+), 3/4 (3), 1/1 (4), Super-1/1 (5)

## Krieghoff Thin Wall Chokes (KTW), extended 117,00 €

Available in the following constrictions: Cylinder (00), Skeet (0), 1/4 (1), 1/4-1/2 (1+), 1/2 (2), 1/2-3/4 (2+), 3/4 (3), 1/1 (4), Super-1/1 (5)

## Choke accessories

• Krieghoff Speed choke wrench for KTW Chokes	73,00 €
• Krieghoff Speed choke wrench for Krieghoff factory Chokes	94,00 €
• Krieghoff Choke Lube, special grease for screw in chokes, 20 g	16,00 €

## Adjustable butt plate 710,00 €

for K-80 and KX-6, including fitting of the aluminium base plate

## Service fee for subsequent interchangeable barrel installation 126,00 €

## Krieghoff Gun Service for Hunting Rifles 366,00 €

With the Krieghoff weapon service, we offer you the opportunity to have your weapon carefully checked in our factory. The system is cleaned and preserved. After the maintenance, you will receive a service certificate. If we discover any defects during the maintenance, we will inform you immediately in order to discuss the possibility of a repair with you. For all rifles (max. 25 years old) that are completed by us without defects after maintenance or after repair, you will receive a two-year guarantee on the lock parts.

## Krieghoff maintenance service for shotguns (also known as "Annual Service")

This service includes checking the gun for headspace, overcock, proper tolerances of sears, ejectors and hammers and complete disassembly and replacement of springs as needed throughout the receiver and forend iron. All parts are inspected for wear and minor trigger and timing adjustments are made if needed. The gun is cleaned and lubed.

The barrel is tightened to the actions when possible. Replacement of broken or badly worn parts is available, at additional cost.

• K-80/K-20	510,00 €
• K-32	653,00 €

## Gun transport for Gun Service and "Annual Service"

With the gun transport, we offer you a quick and uncomplicated way to have your weapon picked up by us for the Gun Service, or "Annual Service". After maintenance, we will send your weapon back to the address of your choice. The Gun transport is only offered in Germany.

• Gun transport including ammunition	184,00 €
• Gun transport without ammunition	134,00 €

# ACCESSORIES

## GUN CASES

A display of pictures, regarding gun cases, can be found on page 69

### Exclusive leather cases available on request

#### Krieghoff GunPack

This hard-top gun case is made out of black, shock resistant "ABS" plastic material assembled by ultrasonic welding and the addition of "ABS" at the fluid state.

A Krieghoff lettering in gold is on the upper left of the outer front and inner top part. The inside is made out of velvet-like, blue cloth. It is pre-formed to exactly fit your hunting gun, a scope, and accessories or ammunition. Four hook-and-loop fasteners additionally secure the content. Four "push" catches avoid unwanted opening.

#### Krieghoff GunPack for Hunting Guns

plus Krieghoff Speed choke wrench

Shooting Vest Sporting "London II" navy

Shooting Vest "London II", green

Shooting Vest Trap "London II" leather, navy

Long Sleeve Base Layer Shirt, black

# MEMO

## I. Scope mounts

Scope mounts, carried out at the Krieghoff factory, will include sighting-in. On guns with more than one barrel we guarantee a certain grouping of the barrels will be obtained. If scope mounts are fitted elsewhere an extra charge will be applied for sighting-in of the gun. Further, we cannot give any warranty for common point of impact accuracy on guns with multiple barrels. If the installation of the scope mount was not carried out by us we are not able to take any responsibility for the performance of grouping.

Because of physical reasons, the point of impact (grouping of the barrels) on guns featuring multiple barrels can only be adjusted for one type of sight (rather open sight or scope). If nothing else was requested by the customer and the scope mount was done at the Krieghoff factory, we always sight-in guns featuring multiple barrels over the scope. If several scopes are being mounted, explicit information is required for which scope the grouping performance need to be obtained. If no information is being supplied, we will use the largest scope to ensure grouping accuracy.

The points mentioned above are also valid for insert barrels.

## II. Model thermo stable

If thermo stable models are ordered with cosmetic side ribs, we strongly recommended, for technical and aesthetic reasons, that the scope mounting and sighting-in process is carried out at the Krieghoff factory.

## III. Guarantee

If scope installation is carried out by anyone other than Krieghoff and the barrels require subsequent rebluing, all warranty regarding bluing and shooting accuracy will be void.

## IV. Shooting accuracy

The accuracy of the gun can only be guaranteed if the same type of ammunition is used as the gun was sighted-in with. Therefore we recommend to acquire a sufficient stock of ammunition of the same loading used to sight-in your gun, especially if the gun has multiple rifled barrels. This applies to rifle cartridges as to shot gun slugs.

In big bore double rifles semi jacketed bullets and full metal jacketed bullets are often being used side by side. Although this might be very useful, accuracy can only be guaranteed with one type of ammunition load. Test shots with a second load or even finding two loads that work together are only done on special request and have an additional time and ammunition charge.

## V. Weight

All specified weights, especially the total weights of weapons are to be understood as approximate information. Due to manufacturing and construction-related factors, as well as varying weights stem from the natural material of wood, there may be deviations. The weight data therefore only serves as a benchmark for better differentiation.
